

# FINAL REPORT

MAY 16 1983

NATIONAL COIN WEEK • APRIL 17 - 23, 1983

CLUB or INDIVIDUAL (in whose name report is submitted)

Douglas C. Jennings

*member of Monroe Coin Club*

ANA Number

R 106 970

*CALL*

Name, address and telephone number of individual submitting report:

Douglas C. Jennings

## FINAL REPORT

Attach a report of educational activities conducted in observance of National Coin Week 1983. Supplement your report with documentation, such as press clippings, letters of acknowledgement, programs, bulletins and photographs. The quality of your presentation and documentation will be considered when reports are chosen for publication in THE NUMISMATIST. Large, elaborate reports are discouraged, but reports in scrapbook form are quite suitable and should be considered.

New ANA members recruited during your National Coin Week campaign should be listed on the reverse of this form.

## CERTIFICATES OF PARTICIPATION

Certificates will be provided to clubs and individuals submitting FINAL REPORTS and to the individuals and organizations designated by them. Your report should include a printed or typewritten list of club members, institutions and other individuals whose support contributed significantly to the success of your local National Coin Week campaign. Certificates will be sent to the above address for distribution.

All FINAL REPORTS should be sent First Class Mail, postmarked on or before May 27, 1983, to

Leslie A. Winners, Chairman  
National Coin Week 1983  
P.O. Box 212  
Pineville, LA 71360

## Final Report for NCW

I gave a talk on coins, how to properly handle them, the different areas to collect, the different U. S. coins and currency to ten sections of seventh and eighth grade students at Dandee Middle School. This would be approximately 300 students.

I started a coin club for our school and have enclosed a picture of some of the members.

I placed two exhibits at the Monroe County Bank of Dandee, Michigan and entered two educational exhibits (non-competitive) at our local coin show (Monroe Coin Club).

I have joined up seven new junior members to our Monroe Coin Club and have tried to persuade them to join the A.N.A.

I ran a design a coin contest for the 7th + 8th graders and have enclosed the winning state entry which ~~it~~ was the grand prize winner over-all. I told him you might publish his design or mention his name in The Numismatist. The local and national winners were decent but too closely resembled present coinage.

I've include photos of most of the things I've done. If any questions, please contact me.

Mr. Douglas Jennings

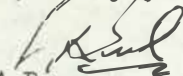

Dear Doug,

The display you brought into the bank for National Coin Week, April 17-23, was very well received by the public and bank employees alike. As you know, I share your interest in numismatics and appreciate the scope of your display.

Thank you for sharing your collection with us and I hope we can impose upon you again next year. It is truly an interesting and complimentary display for the bank.

Very truly yours,

  
A.A. Bronson  
President & C.E.O.

Design a coin that could be used at the local level (the school, the town, the county), the state level, or a new national coin. You need to include the date, something of importance from the area, ex. for local the cement plant would be significant, and take a look at your own coins and include anything from them that you think is necessary.

Front or obverse of coin

Reverse or back of coin

Winners will have their entries sent to the American Numismatic Association and might have them printed in a magazine.
